Re: Wellington Permit Renewal Application Deficiency, NEICO, Wellington Preparation Plant, ACT/007/012-PR99, Folder #2, Carbon County, Utah

Dear Mr. Collins:

The Division has reviewed your permit application for the Wellington Preparation Plant. There is one deficiency that must be corrected prior to publication. The violation notices need to include the date of issuance and date of termination. Once this information has been submitted as part of the permit renewal application, NEICO can proceed with the renewal notice for publication.

If you have any questions, please call me.

Sincerely,
